Dear Don:

I am very pleased to inform you that I have approval from the members of the Interest Group Committee to provide some IUB support for the VIIth International Symposium on Microsomes and Drug Oxidations to be held in Adelaide, August 17-21, 1987. The amount will be $4,500, and Dr. Kunio Yagi, IUB Treasurer, will issue the check to you about a month in advance of the meeting. I regret that our funds are so limited, but perhaps IUB approval will help you obtain support elsewhere.

With best wishes for a highly successful symposium,

Sincerely yours,

MJC/bd
